

## Directors' Statement:

The Board of Directors is pleased to present the unaudited financial results for Banks Holdings Limited for the six months ended June 30, 2025. The Group has demonstrated a positive start to the year. Revenue for the first half of 2025 was \$78.04 million, an increase from \$73.45 million in the corresponding period of 2024. This growth in revenue underscores the continued demand for our products and the effectiveness of our market strategies. However, it is important to note that there was a 2% drop in sales volume compared to the prior year's performance mainly driven by economic factors.

Profit from operations for the parent and subsidiaries saw a significant increase, rising to \$7.65 million from \$6.57 million in the first half of 2024. The income from operations for the parent and subsidiaries stood at \$7.58 million, a substantial improvement from \$5.50 million in the prior year. This improvement was primarily due to the absence of restructuring costs and lower interest expenses. Consequently, income before taxation from continuing operations improved to \$7.70 million due to income of associated companies. After a taxation charge of \$0.61 million, the net income for the period from continuing operations was \$7.09 million, a notable increase from \$4.81 million in the first half of 2024.

As of June 30, 2025, the Group's total equity was \$242.16 million, compared to \$235.51 million at the end of December 2024. The company's financial position remains solid, providing a stable foundation for future operations and strategic initiatives.
